

PageTraffic Ranks #1 in Best Social Media Marketing Companies in India for February 2011

Online PR News – 23-February-2011 –The independent authority on search vendors, topseos.com, has announced the best Social Media Marketing Companies for February 2011. An independent research team that was assigned to the Social Media Marketing category reviewed each applicant in order to determine the best Social Media Optimization companies. PageTraffic made its presence as one of the top players in the rankings for this month in a field of thousands in India.

“ **Its proven track record of success and their continued drive for excellence has earned PageTraffic the ranking as the #1 Best Social Media Marketing Firms in India.**

An extensive review was completed and the research team evaluated the services being provided by PageTraffic, a premier Search Engine Marketing Firm located in New Delhi, India with its sales office in Chicago, Illinois and back office operations in New Delhi, India. Its services come with the assurance that they make use of completely ethical and acceptable methods of providing SEO services. Page Traffic brings together more than 80 creative individuals who have a few other things in common too, for example. The excellence of their services reflects in the company they keep. The company is also affiliated to the niche SEO organizations.

”
Founded in 2002, Page Traffic has achieved impressive search engine rankings and phenomenal traffic inflows for clients from the most diverse range of industries. They do not specialize in any industry as they specialize in what they do which is getting new customers everyday.

With social media such a force online now, companies have now been able to leverage those tools to increase their link popularity. Utilizing blogs, forums, Twitter and other social networks to help build communities that naturally want to link, Page Traffic helps in generating traffic via social media sites such as You Tube, FaceBook, MySpace, Flickr, Twitter to their clients' websites. In fact, the company can even generate social media relevant content for their site.

Creating value for clients is Page Traffic's sole objective and everything else revolves around it. Currently, its 80-member strong team caters to more than 250 projects. They have maintained a healthy ratio of employees to projects for quality assurance of deliverables. This is in keeping with their ethos of working on few intensive campaigns vis-à-vis numerous low impact ones.

Page Traffic have helped new sites achieve fast rankings; e-commerce sites generate more sales and enabled corporate sites to have a solid brand presence. They have worked with local businesses to channelize their sales and also helped saturated campaigns to diversify with new keywords and possibilities.

No matter what they are working on, its team of experts devises innovative ways to meet the project goals. They handle the marketing tasks of many online businesses, enabling them to focus on their core business processes. This is how they have forged successful partnerships with large and small companies from around the world. They already have a strong presence in many parts of the world, including USA, UK, Australia, Canada, Asia and are looking forward to consolidate in other countries. The clients it serves include Custom Embossers, Tredent Data System, Airways Hotel, Stellar and Get Data to name a few.

Its proven track record of success and their continued drive for excellence has earned PageTraffic the ranking as the #1 Best Social Media Marketing Firms in India. topseos.in has been ranking the best internet marketing service providers since 2004. As the independent authority on search vendors they have connected thousands of businesses with internet marketing firms that have provided top notch services.
