

PageTraffic Continues To Be The Top SEO Agency in India On Clutch

PageTraffic has yet again proved its leadership in the SEO domain in India. Washington, D.C based B2B ratings and reviews website, Clutch, has listed PageTraffic as the top SEO company in India. Ratings are given based on the reviews written on Clutch by the clients of products/services providers.

Speaking more about the news, CEO of PageTraffic, Navneet Kaushal said, “It feels good when your work is appreciated. I am thankful to [Clutch](#) for paying attention to the feedback that our clients have shared on the platform and considering them while giving ratings to service providers. Our clients have talked positively about PageTraffic on Clutch. This is really encouraging. When clients praise you, it feels that all the hard work the team has put in is paid off. We are grateful to customers for going out in open and praising our work online”.

A business that understands the pain points of its customers and wears their shoes is the one to leave the competitors behind and set benchmarks. PageTraffic is one such name. Founded in 2002, known as the Best SEO company of India, PageTraffic was recently in news for all the good reasons. Keeping client satisfaction as its key priority, PageTraffic has always ensured to walk that extra mile to earn a happy customer.

Adding more, Navneet said, “I thank our clients for taking out time and writing reviews for PageTraffic. This is a valuable addition to our reputation and plays a pivotal role in keeping us at the top in the competitive SEO industry.

PageTraffic is one of the leading SEO agencies in India since 2002. It has served more than 7000 clients across 36 countries. From SEO services for small-scale companies to enterprises, PageTraffic has different plans to meet the online presence and marketing needs of its customers. Global SEO, [local SEO](#), app store optimization, paid search marketing, e-commerce solutions, and e-commerce SEO are some of the services offered by the SEO company in India.
