PageTraffic, India’s premier and one of the most awarded search marketing firm, has added yet another to its cap by featuring in the prestigious list of top Indian SEO companies. The company provides comprehensive search marketing services that combine search and social marketing into one powerful strategy.

PageTraffic has been helping big brands as well as startup businesses in India get a bigger foothold and establish an edge in internet presence. The search marketing agency has also introduced a host of special measures to serve its Indian clientele better.

PageTraffic has been constantly ranked among the top SEO companies for its unparalleled service standards, 100% positive feedback and search marketing leadership. Moreover, the company has developed a project management and delivery process that is extensive in its coverage and is effortless for the client to review.

"The competition is getting tougher with the launch of new companies, but we have worked hard to maintain the edge. And, we have a decade's experience, which is hard to beat. We are confident that we will continue to keep our high standards up," said Navneet Kaushal.
